

COMPANY QUALITY POLICY

The policy of Advantia Business Solutions Limited is to provide an excellent service to enable members to develop their businesses.

Advantia are committed to providing its members with cost effective support for purchasing, marketing, warehouse, logistics and IT that meet their business needs.

We work closely with all stakeholders to ensure that we meet their documented requirements and expectations for service and product quality.

We operate systems that meet the requirements of ISO9001 retaining external approvals to this standard. In addition we will apply all applicable statutory measures.

All staff are aware of the processes operated within the company, and are aware of their responsibilities to follow defined procedures and to report any deviation or anomalies.

Staff are encouraged to provide input to the development and improvement of systems.

The Management of the company establish business objectives which support the implementation of this policy. These objectives are regularly reviewed and revised as necessary with the aim of continual improvement.
